

Are You an Expert Practitioner in Biomedical Science?

Would you like to be an online mentor on one of our M-level courses?

The University of Greenwich is seeking biomedical professionals to act as online mentors in the following areas:

- Analysis of Nucleic Acids
- Blood Transfusion
- Diagnosis of Breast Cancer
- Gene Structure and Function
- Implementing Advanced Quality Management
- Lung Disease
- Management of Healthcare Associated Infection
- Point of Care Testing
- Quality Systems Management
- Renal Disease
- Robotics and Automation

Rate of payment is determined by the size of tutor group.

Online courses start in April and October each year, and last for 12 weeks.
